RE: Mental Health and Recovery Services Board

Commissioners have the responsibility to appoint members to several Boards and Commissions, providing oversight to many important entities in Hamilton County. One of these Boards, the **Mental Health and Recovery Services Board**, has one open position for a Board member.

I invite you to consider applying to be a member on this important Board which is responsible for planning, funding and evaluating the effectiveness of community mental health services and alcohol and drug addiction services available to Hamilton County residents. The appointee would serve a full term to expire June 30, 2016.

The open position on the Mental Health and Recovery Services Board must be filled with a County resident in order to provide a representative and accountable decision-making body for the activities of this important Board. In the coming weeks, Commissioners will be collecting and reviewing applications for the Mental Health and Recovery Services Board in anticipation of appointment at our June 27 Commissioners' meeting.

I encourage all interested residents to apply to serve on this important Board! To apply, download the application here:
